PRESIDENT'S COMMENTS

During the past few years, the Briard Club of America has been very ably served by Charles Cook as President and I wish to extend the thanks of the Board of Directors and the membership for a job well done. I hope to be able to follow in his footsteps in trying to accomplish whatever is in the best interests of the Briard Club and the betterment of our Briards. Also, a belated thanks to Jayne Bruner who made all arrangements for the annual meeting and dinner in August.

This year will see action taken by the Board intended to provide a direction toward insuring the continuing high standards for members and maintaining the quality standard of the breed. Action is not being taken from a short range standpoint but rather with the long term view in mind. The coming years can be critical ones for the Briard from a quality area. The breed is experiencing an unprecedented popularity and we must all recognize the dangers inherent in this rapid period of growth. Other breeds have encountered an overnight popularity and have noticeably failed to maintain their standards under the pressure to sell puppies, thus creating an overpopulation of inferior animals.

All of us can take great pride in our Briards but let us make certain that the hard work and applied intelligence of breeders, past and present, does not now go to waste in a quick move to capitalize on the current wave of popularity. Our Briards deserve more consideration and respect than that and surely no one will disagree with this thought.

From the Board of Directors, our sincere best wishes for this Holiday Season to all of you and may each of you enjoy 1973 with a loving family, pleasant friends and good dogs.

Phil McNelis

With deep sorrow we learned of the death of two loyal Briard Club members, Mural Azelton and Frank Knapp. Both have earned many friends among Briard exhibitors and we will miss their interest and loyalty to the breed as well as their friendship. Our deep sympathy is extended to their families.

THE DOG HEARD AND WAS CONTENT

God summoned a beast from the field and He said, "Behold man, created in my image. Therefore adore him. You shall protect him in the wilderness, shepherd his flocks, watch over his children, accompany him wherever he may go—unto civilization. You shall be his ally, his slave and his companion.

"To do these things," God said, "I endow you with these instincts uncommon to other beasts: faithfulness, devotion and understanding, surpassing those of man himself. Lest it impair your loyalty, you shall be blind to the faults of man. Lest it impair your understanding, you are denied the power of words. Let no fault of language cleave an accord beyond that of man. Speak to your master only with your mind and through honest eyes.

"Walk by his side, sleep in his doorway, forage for him, ward off his enemies, carry his burdens, share his afflictions, love him and comfort him. And in return for this, man will fulfill your needs and wants, which shall be only food, shelter and affection.

"So be silent, and be a friend to man. Guide him through the perils along the way to the land that I have promised him. This shall be your destiny and your immortality." So spake the Lord. And the dog heard and was content.

The preceding is found on the stationery of the American Dog Owners Association, Inc., P.O. Box 35176, Detroit, Michigan 48235. The A.D.O.A. is an organization dedicated to protect the welfare of dogs across the country. Their message seems most appropriate at this season.

BRIARDS CHEZ PHYDEAU
THE GOLDEN WEST NEWS & VIEWS

California Briards and owners moved into the western Pennsylvania and eastern Ohio area making their presence felt in an amazing and spectacular manner by running off with 3 of the 4 top positions in two days of showing. Lee Erickson's already famous group winner "Ch. Esau de Saint Chermain handled by his breeder Carolyn Erickson was judged Best of Breed at the 2 shows entered including the BCA supported entry on Sunday the 6th of Aug. Esau's litter-mate Ch. Polly de Saint Chermain owned by the Wellisches, Karl and Jane and handled by the BFSC president, Roland Taub was accorded Best of Opposite Sex at the supported entry.

Having been present with my "Janie" (O.J. Britt) who traded in her prairie schooner for a United DC-10, I can speak first hand to say it was magnificent competition the Midwest and East turned out. The high percentage of first-rate Briards was most impressive and a pleasure to watch due to the expertise that was demonstrated in both handling and grooming, perhaps an example was set for us to follow.

As I stumbled nervously into the show-ring with my "Janie" the flawless handling I had been seeing was uppermost in my mind and I wished my wife Nancy was there to handle her as usual. Jane scratched out second place for herself despite everything but she informed me in no uncertain way that "red just wasn't her color."

We did however appreciate the warm greeting and red-carpet that was rolled out for us by our fellow BCA members.

Californians attending the Annual BCA Meeting included Carolyn Erickson, Roland Taub and myself. It was most enjoyable and wonderful to meet everyone.

Carolyn and Roland are to congratulated not only for history making wins but also thanked for their time, expense and effort in showing our California Briards in the East.

Although shows in Calif. have been attended, I have not received any show reports. Let's get them in for the next issue.

NEWS FROM NORTHERN CALIFORNIA

A group of eleven happy Briard owners joined at the Mensona Kennel Club show in Santa Rosa, Nov. 12, 1972 to form the Briard fanciers of Northern California. After officers were elected; Don Thompson, Pres.; Kim Olson, Sec-Treas.; and Patti Curnow, Newsletter Editor; we decided on some goals and general aims. It was decided that an annual specialty would be planned for a spring show and that generally each member would be kept notified through the club on which shows other members would be entering. A study of what the novice should be aware of was also planned, and we hope to be coming out with a booklet on grooming tips, and training tips geared to the novice Briard owner. Wine contributed to the pleasant atmosphere and a feast of sandwiches and cheeses was enjoyed by all. Everyone left late in the day after a fine show.

Tres Joli Aimee de Chez Ciel, "Aimee", beautifully handled by Wayne Nelson and proudly owned by Bill and Patti Curnow went Winners Bitch for 2 points and on to BOB with an entry of six at the Mensona K.C. show in Santa Rosa under Judge Sally Keynes. This gives Aimee 14 points.

Urs Noir du Marin,"Precious", owned by Jack and Judy Basinger started his show career handled by Jack with 2 points for grabbing Winners Dog at the Mensona Show.

Pa'Chick's Upsie Daisy,"Daisy", owned by Don and Maggie Thompson went BOB at Oakland K.C. show on Oct. 8 for 1 point under judge Howard Dullning. A week later in Yuba City for the Two Cities K.C. show she again went BOB for 1 point under Maurice L. Baker. Daisy followed this up the next day in Sacramento with another BOB for 2 points under judge Louis Murr. She's gotten off to a good start.

CHRISTMAS GREETINGS

FROM SANDY dressed in her hippy outfit

Sandy finished her championship (pending A.K.C. confirmation) on Nov. 5, 1972 at Rock River Valley Kennel Club in Pecatonica, Ill. under Judge, Henry Stoecker, going Best of Breed.

Greetings of the Season
AND BEST WISHES FOR THE NEW YEAR

Tiffy
Marc
Micki
Jan and Phil McNelis
CONGRATULATIONS FOR THE FIRST BEST IN SHOW!!! The first weekend in October Bob and Elain Klein's Ch. Phydeaux Tambourine took Best in Show at Fairbanks, Alaska with Bob showing "Tamby" all the way himself. Judge Nicholas Kay gave Tamby a Group Three the next weekend in Anchorage. As if that was not enough joy, Elaine gave birth to a daughter, Rachel Leah on October 15. Congratulations all around! What a month for the Kleins!

"Tamby" finished his championship on the New England Circuit, adding 2 points at Woodstock, Vt. on Friday, 2 points on Saturday at the Champlain Valley K.C. show and 4 points on Sunday at the Green Mountain Dog Club show. All that on top of two enviable 5 pointers garnered earlier this year at Farmington and last year at Ox Ridge. A fine record for a magnificent young dog.

More from the New England Circuit: Bob and Elaine Klein gave a lush party enjoyed by all and there were numerous excuses for celebration. The Tingley's Sheba took her first 2 points in Burlington and June Shew's Belle Delle Princess picked up 2 at Woodstock and again at the Carroll County K.C. show. They took another 2 points at the Lakes Region K.C. show. Jerry Cohen's "Meatball" was the darling of the Circuit, praised by Briarders and hotel guests alike -- particularly for his diligent efforts to bite drops of water as Mamon playfully splashed them from the pool. Jerry has since had the puppy out at several shows and I can vouch that he is beautifully behaved and quite a charmer, bound to give us stiff competition from here on in.

With Tamby finished, 7 of the Poppy-String litter have earned the distinction "Champion". This is a new record for Briard littermates and one that is likely to stand for some time. Heartiest applause for the Tingleys, all the Briards and their owners.

It's with deep sorrow that I now also note the passing of Mary Lou's and Art's wonderful Ch. Phydeaux Poupee de Marha, dam of this remarkable litter. "Poppy" was bred by Harold Marley and proved to be an outstanding Briard. She succumbed to a heart attack 2 days after the annual meeting in Ohio. I hope these few words will tell the Tingleys how many are saddened by this news and anxious to express their sympathy. Poppy was so much a Briard. At least we can be thankful that she lives on in her many fine offspring.

On a brighter note, Jane Dubin guided Tallulah to Best of Breed at Sand & Sea under Dr. Richard Greathouse. The Sarrmises' Duffel took the breed at Elm City with Tepo going BOS under judge Kenneth Tiffin. Duffel triumphed again at Newtown with Sheba going BOS under Robert Salomon. BOB went to Tallulah and Hugo at Ox Ridge and Goshen on Sept. 23 and 24. Judge Pat Marcmann gave the Rosens' Cinder her first 3 points at Ox Ridge where Tracy Bests' "Brutus" picked up a major to finish. CONGRATULATIONS TRACY AND NEW CHAMP SWANK'S GRAN PRIX. Berry Brow's Bebe took BOS at Goshen with Matthews' Jacques taking BW. An exciting variety of wins for all this fall.

To quote a letter from Jerry Cohen on Sept. 11: "About Westchester
yesterday, I have some good news and some bad news. The good news: "Meatball!" went Best of Breed. The bad news: no one else showed up! Four other entries--and none came." From my point of view, it is sad that in a breed as small as ours, someone should travel from Boston to New York only to find the competition absent. For everyone's sake, let's all try to keep in touch and inform friends if we know we won't be able to make a show. Hopefully, we can give Jerry better competition at the Boston and Worcester shows in December...where he threatens to entertain!

Art and Mary Lou Tingley have proudly announced that Dina took her first point at the Back Mountain K.C. show and that Sheba and Poppy have both been certified clear of dysplasia.

Ken and Cece Collins had an unexpected--though I really can't see why we were surprised--announcement in Ohio. They have moved to Darlen, Ct. buying Cece's parents' youse. Yup, moved again! Ken is the new president of H.S. Products Corp. in New York City. They sumptuously hosted us all after the Ox Ridge show, giving a party that would be hard to outdo.

FLASH: Ken showed Hugo to a Group Three on Nov. 11 in Salisbury, Md. under judge Theodore Wurmser. This is the second time Mr. Wurmser has given Hugo a group placement. Nice going Collinses.

Fairfield County has become the home of numerous Briards. I count at least 5 in Westport, 3 in Wilton, 1 in Greenwich, 1 in Stamford, 2 in New Canaan (?), 3 in Darlen (not counting the Collins' puppies at the moment). If all Connecticut Briarders, or East Coasters for that matter will make themselves known, I'll look into a get-together of some sort.

John, our puppy "Bag" and I took a short vacation on Nantucket immediately following the Ohio shows. One sunny morning as we were driving along the Sconset Road on our way to the surf, John suddenly flagged down another car. There in the back seat was a large tawny Briard. He is "Porthos" and belongs to the Collettis, who purchased him along with a bitch called "Piaf" from the Tingleys, wouldn't you know. Mr. Colletti told us sadly that Piaf had recently died but Porthos who was clipped, looked happy and had a chest of iron. "Bag" never did lose his awe of the surf but he learned to swim well in his water dish. He (V.S.O.P. Bouffon de Brie) has since been sold to the Tingleys and Janet Slover, who report he is a great showman of their handling class. They look forward to an exciting official debut next spring. The pup's new call name is "Dez", a tribute to Janet's fascinating summer in the Middle East.

I have extended East Side sympathy and best wishes for a rapid recovery to Bill Shew, whose Volvo was totaled on Route 91 when he was hit from behind by a truck going 60 m.p.h. We're glad your OK, Bill!

The Cooks had a litter of Lion Dog puppies. Hope they'll send some pictures to the Dew Claw. The litter arrived just before the Annual Meeting and kept the Cooks from attending. Jane and Charles, we missed you. Same message to the Zaccaros and in fact to many of you who were not able to join us.

At the Annual Meeting we learned that as many as a dozen Briards in the East are in need of new homes. Some are black, some are tawny, some male, some female. All are 10 months old at least. Will anyone who knows of a good home please call Mary Lou (201/543-7455). It is certainly in all our interests to see that Briards are treated well by responsible owners, not to mention the strictly humanitarian angle. Often as it's been said, it is worth saying again: We don't want our breed landing in pet shops or pounds. Please help if you can. I can happily report that all the Berry Brown dogs have by now been placed in homes.

Correction and apology: In the August news I said that Helen Harris's "Uli" was a littersister of Dina, Sheba and Cinder. That isn't the case at all and I wish I could catch the gremlin that got into the news bin and mixed everything up. Cinder is out of the Marc and Nanie litter and is no special relation to the other three who are littermates.

Please send or phone news, photographs, or whatever is of interest to me a 6 Rebel Road, Westport, Ct. 06880 (203/226-5379). I'd particularly like to hear from some of you who are not showing your Briards; I've no prejudice in favor of show Briarders but they are the loquacious ones. Hope to hear!

Susan Sammis

The French CLUB DES AMIS DU BRIARD has announced the
1973 RASSEMBLEMENT NATIONAL DES BRIARDS will be held at CREIL, OISE, FRANCE (an Environ of Paris)
on September 16, 1973

A Rassemblement is a unique show where the Briards are judged only for their conformance with the Standard, not one against the other. A trip to France for a "Selection" is not only a good way to see beautiful country. It is a marvelous way to learn more about the Briard from the French breeders and judges. Just ask anyone who has gone!

They did it again! The Wayzata and St. Paul, Minn. dog shows were a big success. The largest entry ever with 13 Briards at each show. CHAMPION PHYDEAUX TAMBOURINE

Ch. Phydeaux Tambourine, owned by Bob and Elaine Klein of Anchorage, Alaska became the first Briard in the U.S. to win BEST IN SHOW on Oct. 8, 1972 at the Fairbanks K.C. show in Alaska. Group judge was F. Cartwright of Oregon and the B.I.S. judge was R. Gilliland of Arkansas. "Tamby" was owner handled right to the top. Congratulations to Bob and Elaine and of course to "Tamby"!!

TAMBY OF THE NORTH

Aside from his show career and his fame as our first Best in Show Briard, Ch. Phydeaux Tambourine has a delightful life in Alaska.

"Tamby" follows Elaine two miles across a glacier lake near Portage, Alaska. Ice balls formed on his coat until it became a solid frozen mass and it was difficult for him to walk. As Bob worked to remove the ice, "Tamby" happily wagged his tail to say that he didn't mind a bit.
Elaine and Tamby pause for a quick pick-me-up of wine and cheese.

Before an all-breed show in Anchorage, Elaine and Tamby were invited to appear as guests on KIMO-TV's program "Woman's Touch", hosted by Theda Comstock. Tamby is the only Briard being shown in Alaska and he is always owner-handled.
